*Dear colleagues, dear friends, it is my great honor and pleasure*

*to invite you on behalf of the Serbian Orthopaedic Trauma Association (SOTA) and especially on behalf of Academic Professor Marko Bumbaširević, President of Congress SOTA 2023 and Professor Zoran Baščarević President of the Scientific Committee of Congress SOTA 2023 to VII Congress of SOTA which will be held from April 27 to April 29, 2023 in Belgrade*

*As part of Congress SOTA, we are also organizing the II CONGRESS OF SERBIAN SOCIETY FOR HAND SURGERY – SSHS and SECOND CONGRESS OF SERBIAN SOCIETY FOR RECONSTRUCTIVE MICROSURGERY –SSRM.*

*Since the founding of our Association in June 2007, we hosted three very successful Congresses. Organization the VII Congress SOTA in these difficult times reiterates the need for an Association of orthopaedic surgeons and traumatologists of Serbia.*

*This congress is a result of a long and hard work and our desire to bring us together and steer us towards the common goal – a more successful treatment of our patients. We hope this congress with international participation will provide an opportunity for the selfless sharing and exchange of new knowledge and experience, creative discussion and new friendships.*

*As President of the Serbian Orthopaedic Trauma Association, I have a pleasant duty to warmly welcome you to the VII Congress SOTA and wish you success in future work, plenty of new contacts and enjoyable socializing in the beautiful Belgrade.*
